

# LIFE AQUATICS

## CANCELLATION POLICY

This document is to ensure you understand the financial commitment you are making between yourself and Life Aquatics Swim Instruction LLC.

The "Fall Survival Session" is a four day a week (Thursday-Sunday) program, that runs 8 weeks long, from Thursday, October 3rd, 2024 to Sunday, November 24, 2024.

By signing this document you are saying you are committed to your 15 minute time slot for the entire 8 week session, so I can reserve your standing appointment with Fitness 54.

If at any point you'd like to terminate lessons, I need 7 days notice to fill the slot. This gives me time to attempt to fill a very expensive service, part way through, without taking a total loss on the slot for the session.

Once, I receive notification of cancelation, I will go into my booking and payment site and remove your reoccurring payment. If I do not receive notification 7 days before, the payment automatically goes through.
